- Bombers
- Cruisers
- Econos
- Thunder Stocks
- Enduros
- CNS Pure Stocks

Our mission with the Warriors is to provide a cost efficient division with common sense rules. This will provide older existing cars an opportunity to race again. Plus, drivers at any level can get on the racetrack. We want to create speed instead of buying speed, making for a competitive division of racing. Our goal for this division is to be affordable and competitive.
